

Yealink Essential Bluetooth Headset

The Yealink BH70 essential Bluetooth wireless headset works seamlessly with major UC platforms, with BH70 Dual and BH70 Mono two models. With the high-definition audio quality and Yealink Acoustic Shield Technology supported by 3 microphones, you can talk and hear clearly during the calls and enjoy the stereo crystal music experience. With easily on-ear control, interruption-free busylight, and comfortable wearing, BH70 is a nice partner, either for communicating or collaborating.

BH70 Dual

BH70 Mono

Multiple Microphones Acoustic Shield Technology

With Yealink Acoustic Shield Technology, the 3-microphones built into the BH70 block the background noise automatically but ensure the participant's voice is heard clearly, greatly boosting communication efficiency.

All-day Wearing Comfort

Based on hundreds of head-form evaluations and thousands of wearing comfort tests, BH70 meets the ergonomic requirements. Besides, you can wear it all day comfortably with premier soft leather cushions and a lightweight design.

Unparalleled Music and Calling Experience

BH70 supports dynamic EQ to switch between call mode and music mode automatically. Always provide users with the best excellent experience for music and calling.

Visible Busylight for Ultra-wide Angle

Visibility indicators on both sides of the BH70 automatically glow red when you call or attend a meeting, reducing external interference. Focus on the conversation. The BH70 range is available in both UC and Teams variants. Platform selection can be via the choice of the purchased unit or via Yealink Connect USB software.
